SUMMER VACATION

SESSION: 2025-2026

Copy the following poem in an A4 sheet and in another sheet illustrate the poem.

"My Colourful World"

With my brush, I start to draw,
Mountains high and tigers raw.
A sunny sky, a grassy land,
A sailing boat near golden sand.

Colours dance and stories grow,
In every line and every glow.
My picture speaks, it has a voice -
In art, I dream, create, rejoice!
