Maths Holiday Homework for Class 6

Create an Art Integrated Project based on the following guidelines.

- * Visit the nearby grocery shop and purchase at least 5 items.
- * Make a bill with three columns - name of item, rate or price per unit, amount paid.
- * Show calculations neatly in a separate page.
- * Paste pictures or draw the items you have bought.
- * Use A4 sheet (white/ colourful).
- * Your project should have a cover page and should be creative.

SOCIAL
STUDIES

Social Science Holiday HomeWork

Prepare a PowerPoint presentation on the given topic.

Topic - Different components of maps

Points to remember-

- 1. There should be a minimum of 10 slides and a maximum of 15 slides.**
- 2. Make your presentation interesting by adding animation and sound effects and utilizing other creative tools.**
- 3. This is an individual task , compulsory for all the students.**
- 4. Submission is on the first day of school's reopening.**

English Holiday Homework for Class 6

Create an Art Integrated Project on PARTS OF SPEECH based on the following guidelines.

1. Use colourful papers and sketch pens
2. Make it creative
3. The size shouldn't be more than A3 (half of a chart paper)
4. Give examples for each kind.

A top-down view of a person's hands typing on a laptop keyboard. The laptop screen displays a futuristic digital interface with glowing blue and green lines, binary code, and abstract patterns. The background is a dark, textured surface with a complex digital overlay of glowing lines, hexagons, and floating data points, creating a high-tech, cybernetic atmosphere. The word "COMPUTERS" is overlaid in large, bold, red capital letters across the center of the image.

COMPUTERS

Computer Science

Topic: "Artificial Intelligence and Its Domains"

What you need to include:

1. What is AI?– A simple explanation in your own words.
2. Domains of AI– Computer Vision, NLP, Data Science
3. Images – Add relevant pictures, make it more attractive

and interesting.

4. Email the presentations to your respective computer teacher.

Mention your name and class as subject.

Bonus Tip: Add some examples where AI is used in daily life – like Siri, Google Maps, or face recognition!

Be creative and enjoy learning something cool and futuristic!

Submission Date: 14th June

A purple rectangular tag with a hole on the left side is the central focus. The words "Thank you!" are written on it in a black, cursive font. The tag is placed on a light brown cork surface. To the right of the tag is a single white daisy with a yellow center. In the background, there are two more daisies, one slightly to the left and one to the right, both out of focus. A light-colored wooden ring is also visible in the background, partially obscured by the tag and daisies.

Thank
you!
