Other	82

SOCIAL
STUDIES

Social Science Holiday HomeWork

Prepare a PowerPoint presentation on the given topic.

Topic - Different types of soil in India along with associated crops.

Points to remember-

- 1. There should be a minimum of 10 slides and a maximum of 15 slides.**
- 2. Make your presentation interesting by adding animation and sound effects and utilizing other creative tools.**
- 3. This is an individual task , compulsory for all the students.**
- 4. Submission is on the first day of school's reopening.**

Holiday Homework for English Class 8

Make a comic strip based on one of the following lessons from the previous year's English textbooks

- 1) A Gift of Chappals**
- 2) Golu Grows a Nose**

Remember the following points while making comic strips:

- 1. Make it in A4 sheets**
- 2. Each sheet should contain at least 3 scenes**
- 3. Be creative**
- 4. Make it colourful**

This is not a group activity. Individual submissions are required.

A top-down view of a person's hands typing on a laptop keyboard. The laptop screen displays a futuristic digital interface with glowing blue and green lines, binary code, and abstract patterns. The background is a dark, textured surface with a complex digital overlay of glowing lines, hexagons, and floating data points. The word "COMPUTERS" is written in large, bold, red capital letters across the center of the image.

COMPUTERS

Computer Science

Topic:

”Presentation on Artificial Intelligence (AI) and the Future it is Creating”

What you need to include:

- 1. What is AI? – Write a simple and clear definition.**
- 2. How AI is changing our future – Talk about AI in schools, hospitals, transportation, homes, etc.**
- 3. Images – Add relevant pictures to make it more attractive and interesting.**
- 4. You can submit the presentation in email to the respective computer teacher.**

Mention your name and class as subject.

You can imagine and draw what the world might look like in the future with AI – like robot teachers or flying AI taxis!

Be creative and enjoy learning something cool and futuristic!

Submission Date: 14th June

A purple rectangular tag with a hole on the left side is the central focus. The words "Thank you!" are written on it in a black, cursive font. The tag is placed on a light brown cork surface. To the right of the tag is a single white daisy with a yellow center. In the background, there are two more daisies, one slightly to the left and one to the right, both out of focus. A light-colored wooden ring is also visible, partially behind the tag and extending across the top left of the frame.

Thank
you!
