

School Mobile Phone & Electronic Gadgets Usage Policy.

As per CBSE guidelines, students are not permitted to carry mobile phones, laptops, iPads, PSPs, cameras or any other electronic gadgets to school.

Should any such gadget be found with the students on the school campus, the same will be confiscated and no requests for returning of the same will be entertained. Students violating this regulation will be liable for suspension from the school.

To ensure a safe and productive learning environment, the school has implemented the following guidelines regarding phone usage:

1. **Prior Approval for Carrying Phones:** Students must seek prior approval from school staff to carry phones onto the premises. This approval will only be granted for exceptional circumstances, such as medical emergencies.
2. **Storage During School Hours:** Approved phones must be surrendered to the Class teacher upon arrival at school. Phones will be securely stored and returned at the end of the school day.
3. **Consequences for Misuse:** Any student found misusing a phone during school hours will face immediate confiscation of the device. Confiscated phones will not be returned until the end of the academic year. The school believes that these guidelines will contribute to a focused and conducive learning environment. Thank you for your cooperation in adhering to these rules.
